Please Consider Becoming A Member Of LEGACY CIRCLE

You are invited to join a group of individuals helping to continue the provision of quality healthcare for our region.

The Legacy Circle is a philanthropic program that counts among its members a select group of community leaders. These are individuals who, having demonstrated a superior ability to provide for themselves and their families, have generously chosen to contribute to the betterment of the entire community’s health and wellness.

The Legacy Circle membership is reserved for those who make contribution commitments of $10,000 or more to the Unity Health Foundation. Donations can be made in one payment or over a three-year period.

Contributions are then applied toward furthering Unity Health’s ability to provide quality healthcare through improvements to the facility and major investments in technological equipment.

The mission of Unity Health is to improve the quality of health and well-being for the communities we serve through compassionate care. As the largest employer in an eight-county area with more than 2,000 associates, Unity Health associates and partners strive to create a healthy community by creating a healing environment that enables people to reach their highest potential for health.
